AN INSURANCE DEDUCTIBLE FOR FLORIDA
WORKERS' COMPENSATION**

Florida Law Section 440.20(1)(b) permits an employer to buy workers' compensation insurance with a deductible. A \$2500 deductible applies to each claim compensable under the Florida Workers' Compensation Law. However, if you do choose, it is to be understood that your insurance company will administer and pay all claims and that you will reimburse the insurance company for payments it makes within the amount of the deductible selected. Failure to reimburse the insurance company for such deductible amounts within 30 days can result in cancellation of coverage.

Please show whether you want the deductible by selecting the appropriate choice below, sign and return form.

The PMA Privacy Policy

Insurance companies routinely obtain a variety of information provided by customers, agents and brokers, various claimants, medical providers, and other third parties. It is the policy of the PMA Insurance Group of companies to maintain an appropriate level of confidentiality for all the information we collect by restricting access to that information. We also maintain appropriate physical, electronic, and procedural safeguards to protect such information from unauthorized access.

The business of insurance requires information. Insurance companies cannot effectively provide insurance services unless they are given access to and are able to process different kinds of information. For example, underwriters cannot evaluate individual risks without information regarding the individual insured's loss experience, safety practices and so forth; and claims cannot be administered without information regarding the nature and extent of the damage incurred, including relevant medical information.

Much of the information we obtain is public and not of a personal or sensitive nature. We believe that those who entrust us with nonpublic personal information do so with the reasonable expectation that we will use the information only for the limited purpose for which we obtain it; i.e. for insurance related purposes. We are concerned about protecting the privacy of our customers and the other individuals with whom we interact, and have taken steps to protect the confidentiality of the nonpublic personal information that we obtain.

Types and sources of information. PMA accumulates information from many sources.

- o Customers provide us with information we need as part of the insurance application or evaluation process. We may also request reports from various sources in connection with applications for insurance and/or any renewal of such insurance. The kind of information we collect depends upon the type of policy, but may include such things as automobile motor vehicle reports, loss and claim reports, risk management reports, financial rating reports and property inspections, and other information. We also may receive and verify information from government agencies or independent reporting companies to help us correctly rate and properly underwrite a particular insurance risk.
- o We maintain detailed claim files which contain information about the claim and the claimant, including accident reports, wage information, medical reports bearing on the claim, and evidence relating to the validity or eligibility of the claim. We obtain such information from claimants, their employers, their medical providers, and other generally reliable sources. We cannot administer claims or pay benefits without appropriate access to such information.

Much of the information we obtain is generally accessible or otherwise not nonpublic personal information, and PMA cannot be responsible for preserving the privacy of such information.

Medical information PMA obtains personally identifiable medical information only in connection with underwriting specific insurance policies or administering claims under those policies. We will not use or share with third parties personally identifiable medical information for any purpose other than the underwriting or administration of a policy, claim, account or program, or as otherwise disclosed to the subject when the information is collected, except as may be permitted by applicable law.

Our use of customer information PMA's policy is to limit access to nonpublic personal information to those who need it in order to serve our own and our customers' insurance business needs, to administer claims and to maintain and improve customer service. We do not disclose nonpublic

personal information to third parties except as necessary to conduct business, e.g., processing claims or as permitted or required by law. In particular, we do not buy or sell nonpublic personal information, although we may acquire or transfer such information in connection with the acquisition or sale of companies or books of business.

Records retention PMA retains the information it has collected for various periods established by the records retention policies of the Company.

Who has access to the information Except as permitted or required by law, we will not disclose nonpublic personal information about a person without that person's consent. We may, without prior permission but only to the extent permitted by law, provide information contained in our records and files to certain persons or organizations which are fundamental to the insurance services we provide, such as:

- o Our customers, and their independent agents or brokers;
- o Our affiliated property and casualty insurance companies;
- o Independent claim adjusters, medical examiners, vocational counselors, attorneys or investigators, when appropriate;
- o Companies that provide insurance related services to or on behalf of PMA, such as claim administration, medical review or treatment, and pharmacy network services;
- o Persons or organizations that conduct research for or on behalf of the insurance industry, including actuarial or underwriting studies;
- o Insurance support or rating organizations or, at our customers' request, other insurers; and
- o To appropriate entities as necessary to prevent fraud or to properly underwrite a risk.

Also, on some occasions, we may be required to share this information:

- o With state insurance departments or other governmental agencies, to the extent required by federal, state or local laws;
- o If ordered by a summons, court order, search warrant or subpoena; or
- o To protect our own legal interests, or in a case of suspected fraud or other illegal activities.

Privacy Notice For more information on how PMA Companies collects, uses, shares and protects personal information, please access PMA Companies' Privacy Notice at www.pmacompanies.com/privacy-policy.

**WORKERS COMPENSATION AND EMPLOYERS LIABILITY INSURANCE POLICY**

In return for the payment of the premium and subject to all terms of this policy, we agree with you as follows:

GENERAL SECTION**A. The Policy**

This policy includes at its effective date the Information Page and all endorsements and schedules listed there. It is a contract of insurance between you (the employer named in Item 1 of the Information Page) and us (the insurer named on the Information Page). The only agreements relating to this insurance are stated in this policy. The terms of this policy may not be changed or waived except by endorsement issued by us to be part of this policy.

B. Who is Insured

You are insured if you are an employer named in Item 1 of the Information Page. If that employer is a partnership, and if you are one of its partners, you are insured, but only in your capacity as an employer of the partnerships employees.

C. Workers Compensation Law

Workers Compensation Law means the workers or workmens compensation law and occupational disease law of each state or territory named in Item 3.A. of the Information Page. It includes any amendments to that law which are in effect during the policy period. It does not include any federal workers or workmens compensation law, any federal occupational disease law or the provisions of any law that provide nonoccupational disability benefits.

D. State

State means any state of the United States of America, and the District of Columbia.

E. Locations

This policy covers all of your workplaces listed in Items 1 or 4 of the Information Page; and it covers all other workplaces in Item 3.A. states unless you have other insurance or are self-insured for such workplaces.

PART ONE**WORKERS COMPENSATION INSURANCE****A. How This Insurance Applies**

This workers compensation insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. Bodily injury by accident must occur during the policy period.
2. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employees last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

B. We Will Pay

We will pay promptly when due the benefits required of you by the workers compensation law.

C. We Will Defend

We have the right and duty to defend at our expense any claim, proceeding or suit against you for benefits payable by this insurance. We have the right to investigate and settle these claims, proceedings or suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance.

D. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

1. reasonable expenses incurred at our request, but not loss of earnings;
2. premiums for bonds to release attachments and for appeal bonds in bond amounts up to the amount payable under this insurance;
3. litigation costs taxed against you;
4. interest on a judgment as required by law until we offer the amount due under this insurance; and
5. expenses we incur.

E. Other Insurance

We will not pay more than our share of benefits and costs covered by this insurance and other

insurance or self-insurance. Subject to any limits of liability that may apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance will be equal until the loss is paid.

F. Payments You Must Make

You are responsible for any payments in excess of the benefits regularly provided by the workers compensation law including those required because:

1. of your serious and willful misconduct;
2. you knowingly employ an employee in violation of law;
3. you fail to comply with a health or safety law or regulation; or
4. you discharge, coerce or otherwise discriminate against any employee in violation of the workers compensation law.

If we make any payments in excess of the benefits regularly provided by the workers compensation law on your behalf, you will reimburse us promptly.

G. Recovery From Others

We have your rights, and the rights of persons entitled to the benefits of this insurance, to recover our payments from anyone liable for the injury. You will do everything necessary to protect those rights for us and to help us enforce them.

H. Statutory Provisions

These statements apply where they are required by law.

1. As between an injured worker and us, we have notice of the injury when you have notice.
2. Your default or the bankruptcy or insolvency of you or your estate will not relieve us of our duties under this insurance after an injury occurs.
3. We are directly and primarily liable to any person entitled to the benefits payable by this insurance. Those persons may enforce our duties; so may an agency authorized by law. Enforcement may be against us or against you and us.
4. Jurisdiction over you is jurisdiction over us for purposes of the workers compensation law. We are bound by decisions against you under that law, subject to the provisions of this policy that are not in conflict with that law.
5. This insurance conforms to the parts of the

workers compensation law that apply to:

- a. benefits payable by this insurance;
- b. special taxes, payments into security or other special funds, and assessments payable by us under that law.

6. Terms of this insurance that conflict with the workers compensation law are changed by this statement to conform to that law.

Nothing in these paragraphs relieves you of your duties under this policy.

1. You have complied with all the terms of this policy- and

2. The amount you owe has been determined with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a defendant in an action against you to determine your liability. The bankruptcy or insolvency of you or your estate will not relieve us of our obligations under this Part.

All premium for this policy will be determined by our manuals of rules, rates, rating plans and classifications. We may change our manuals and apply the changes to this policy if authorized by law or a governmental agency regulating this insurance.

B. Classifications

Item 4 of the Information Page shows the rate and premium basis for certain business or work classifications. These classifications were assigned based on an estimate of the exposures you would have during the policy period. If your actual exposures are not properly described by those classifications, we will assign proper classifications, rates and premium basis by endorsement to this policy.

C. Remuneration

Premium for each work classification is determined by multiplying a rate times a premium basis. Remuneration is the most common premium basis. This premium basis includes payroll and all other remuneration paid or payable during the policy period for the services of:

1. all your officers and employees engaged in work covered by this policy; and
2. all other persons engaged in work that could make us liable under Part One (Workers Compensation Insurance) of this policy. If you do not have payroll records for these persons, the contract price for their services and materials may be used as the premium basis. This paragraph 2 will not apply if you give us proof that the employers of these persons lawfully secured their workers compensation obligations.

D. Premium Payments

You will pay all premium when due. You will pay the premium even if part or all of a workers compensation law is not valid.

E. Final Premium

The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

If this policy is canceled, final premium will be determined in the following way unless our manuals provide otherwise:

1. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.
2. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force, and increased by our short-rate cancellation table and procedure. Final premium will not be less than the minimum premium.

F. Records

You will keep records of information needed to compute premium. You will provide us with copies of those records when we ask for them.

G. Audit

You will let us examine and audit all your records that relate to this policy. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. We may conduct the audits during regular business hours during the policy period and within three years after the policy period ends. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights we have under this provision.

**PART SIX
CONDITIONS**

A. Inspection

We have the right, but are not obliged to inspect your workplaces at any time. Our inspections are not safety inspections. They relate only to the insurability of the workplaces and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While they may help reduce losses, we do not undertake to perform the duty of any person to provide for the health or safety of your employees or the public. We do not warrant that your workplaces are safe or healthful or that they comply with laws, regulations, codes or standards. Insurance rate service organizations have the same rights we have under this provision.

B. Long Term Policy

If the policy period is longer than one year and sixteen days, all provisions of this policy will apply as though a new policy were issued on each annual anniversary that this policy is in force.

C. Transfer of Your Rights and Duties

Your rights or duties under this policy may not be transferred without our written consent.

If you die and we receive notice within thirty days after your death, we will cover your legal representative as insured.

D. Cancellation

1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancellation is to take effect.
2. We may cancel this policy. We must mail or deliver to you not less than ten days advance written notice stating when the cancellation is to take effect. Mailing that notice to you at your mailing address shown in Item 1 of the Information Page will be sufficient to prove notice.
3. The policy period will end on the day and hour stated in the cancellation notice.
4. Any of these provisions that conflict with a law that controls the cancellation of the insurance in this policy is changed by this statement to comply with the law.

E. Sole Representative

The insured first named in Item 1 of the Information Page will act on behalf of all insureds to change this policy, receive return premium, and give or receive notice of cancellation.

In Witness Whereof, the COMPANY has caused this policy to be signed by its President, or a Vice-President and Secretary, at Blue Bell, PA.

2. The bodily injury must arise out of and in the course of employment necessary or incidental to work in a state listed in the Schedule.
3. The bodily injury must occur in the United States of America, its territories or possessions, or Canada, and may occur elsewhere if the employee is a United States or Canadian citizen temporarily away from those places.
4. Bodily injury by accident must occur during the policy period.
5. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

B. We Will Pay

We will pay an amount equal to the benefits that would be required of you if you and your employees described in the Schedule were subject to the workers compensation law shown in the Schedule. We will pay those amounts to the persons who would be entitled to them under the law.

C. Exclusions

This insurance does not cover:

1. any obligation imposed by a workers compensation or occupational disease law, or any similar law.
2. bodily injury intentionally caused or aggravated by you.

D. Before We Pay

Before we pay benefits to the persons entitled to them, they must:

1. Release you and us, in writing, of all responsibility for the injury or death.
2. Transfer to us their right to recover from others who may be responsible for the injury or death.
3. Cooperate with us and do everything necessary to enable us to enforce the right to recover from others.

If the persons entitled to the benefits of this insurance fail to do those things, our duty to pay ends at once. If they claim damages from you or from us for the injury or death, our duty to pay ends at once.

E. Recovery From Others

If we make a recovery from others, we will keep an amount equal to our expenses of recovery and the benefits we paid. We will pay the balance to the persons entitled to it. If the persons entitled to the benefits of this insurance make a recovery from others, they must reimburse us for the benefits we paid them.

F. Employers Liability Insurance

Part Two (Employers Liability Insurance) applies to bodily injury covered by this endorsement as though the State of Employment shown in the Schedule were shown in Item 3.A. of the Information Page.

Part Six—Conditions, Section D. of the policy is replaced by the following:

D. Cancellation

1. You may cancel this policy by giving a written request to us stating when the cancellation is to take effect. If you do not specify the cancellation effective date in your written request, the cancellation is effective on the date of your written request. We are not required to send notice of cancellation to you if you requested the cancellation in writing. Any retroactive assumption of coverage and liabilities under this policy may not exceed 21 days.
2. We may cancel this policy by giving the first-named insured written notice of cancellation, including in the written notice the reason or reasons for the cancellation.
 - a. We must give at least 10 days' written notice prior to the effective date of cancellation when the cancellation is for nonpayment of premium.
 - b. We must give at least 30 days' written notice prior to the effective date of cancellation when the policy has been in effect for 60 days or less and the policy is cancelled for reasons other than nonpayment of premium, except where there has been a material misstatement or misrepresentation or failure to comply with our underwriting requirements, then at least 45 days' written notice is required.

Florida Non-Cooperation With Premium Audit Endorsement

This endorsement applies because Florida is shown in Item 3.A. of the Information Page.

This endorsement adds the following provisions to Part Five—Premium, G. Audit of the policy:

We are required to complete the premium audit process no later than 90 days after policy termination. If you fail to return the final mail audit or refuse to cooperate in completing the final physical audit or final physical onsite audit, you must pay us a premium not to exceed three times the most recent estimated annual premium on this policy subject to the following conditions:

1. We make two good faith efforts to obtain the final mail audit or complete the final physical audit or final physical onsite audit.
2. We document the audit file regarding the two good faith attempts to obtain the required audit information.
3. After the two good faith attempts to obtain records or gain access to your premises or your worksites, we send a letter by certified mail to you advising you of the specific records that are required or the premises or worksites that must be accessed and the premium that will be charged if you continue to refuse access to the records, premises, and/or worksites.

If you do not provide all the specific records required and/or fail to permit access to your premises or worksites as applicable, and if we satisfy the conditions above on or before 90 days from the date of policy termination, we may continue to try and conduct the audit and/or reopen the audit for up to three years from the date of policy termination. Alternatively, we may immediately bill you a premium not to exceed three times the most recent estimated annual premium on this policy. If you provide all the specific records required and/or permit access to the premises or worksites as applicable to complete the premium audit process within the three-year period, we will determine your final premium in accordance with Part Five—Premium, E. Final Premium of the policy.

If we cannot complete the audit because you do not permit us to make a physical inspection of your operation or provide us with the necessary records, you must pay us \$500 to defray the costs of the audit. The \$500 charge may be imposed only if we have incurred actual travel expenses and we notified you in writing of the potential charge when access was denied. Denial of access to records and your premises or worksites by your agent or representative is considered the same as a denial by you.

If you understate or conceal payroll, or misrepresent or conceal employee duties to avoid proper classification for premium calculations or misrepresent or conceal information pertinent to the calculation and application of an experience rating modification factor, then you, your agent or your attorney, must pay us a penalty charge of 10 times the difference in the amount of premium that you paid and the amount that you should have paid and reasonable attorney's fees. The penalty may be enforced in the Florida circuit courts.

At the end of each quarter, you must submit to us a copy of the quarterly earnings reports you filed with the Florida Department of Revenue and any self-audits supported by the quarterly earnings report. The report must include a sworn statement by an officer or principal of your company attesting to the accuracy of the information in it. If you have an employee who suffered a compensable injury and was not reported as having earned wages on your last quarterly earnings report, you must indemnify us for all workers compensation benefits paid to or on behalf of the employee unless you establish that the employee was hired after the filing of the quarterly report, in which case you and the employee must attest to fact that the employee was employed by you at the time of injury.

This endorsement changes the policy to which it is attached and is effective on the date issued unless otherwise stated.
